

REPUBLIC OF ESTONIA
AGENCY OF MEDICINES

WHEN IS AN IMPORT OR EXPORT AUTHORISATION REQUIRED?

N.B. Requirements apply only for trade with countries outside the EU

			EXPORT		IMPORT				
No	DRUG PRECURSOR	CN code	EXPORT AUTHORISATION	PRE-EXPORT NOTIFICATION N.B. Pre-export notifications are submitted to the importing country by the State Agency of Medicines and it takes maximum 15 working days from the submission of the application for an export authorisation	IMPORT AUTHORISATION				
CATEGORY 1	1	Ephedrine	2939 4100	Individual export authorisation required for every export transaction with category 1 and 2 precursors	Precursors 1-18 require pre-export notification for every export transaction to all non-EU countries	Individual import authorisation required for every import transaction with category 1 precursors			
	2	Ergomethrine	2939 6100						
	3	Ergotamine	2939 6200						
	4	Lysergic acid	2939 6300						
	5	1-phenyl-2-propanone (BMK)	2914 3100						
	6	Pseudoephedrine	2939 4200						
	7	N-acetylanthranilic acid	2924 2300						
	8	3,4-Methylenedioxyphenylpropan-2-one	2932 9200						
	9	Isosafrol	2932 9100						
	10	Piperonal	2932 9300						
	11	Safrole	2932 9400						
	12	Norephedrine	2939 4400						
	13	ALFA- phenylacetoacetonitrile(APAAN)	2926 9095						
	14	Chloroephedrine	2939 9900						
	15	Chloropseudoephedrine	2939 9900						
	CATEGORY 2A	16	4-anilino-N-phenethylpiperidine (ANPP)				2933 3999	Precursors 21-22 require pre-export notification for every export transaction some non-EU countries (please contact State Agency of Medicines)	No import authorisation required for import transactions with category 2, 3 or 4 precursors
		17	N-phenethyl-4-piperidone (NPP)				2933 3999		
CATEGORY 2B	18	Acetic Anhydride	2915 2400	Category 3 precursors require pre-export notification for every export transaction to some non-EU countries (please contact State Agency of Medicines)					
	19	Potassium Permanganate	2841 6100						
	20	Phenylacetic Acid	2916 3400						
	21	Anthranilic Acid	2922 4300						
CATEGORY 3	22	Piperidine	2933 3200	Individual export authorisation required where pre-export notification is required (see adjacent boxes)					
	23	Acetone	2914 1100						
	24	Ethyl ether	2909 1100						
	25	Methylethylketone	2914 1200						
	26	Toluene	2902 3000						
	27	Sulphuric Acid	2807 0000						
CAT 4	28	Hydrochloric Acid	2806 1000	Pre-export notification required for every export transaction to all non-EU countries					
	29	Ephedrine in medicinal preparations	3003 4020						
	30	Pseudoephedrine in medicinal preparations	3003 4030
